

CS2433: POPL-II-A-Jan20: Homework

General POPL Basics

Due Tuesday Feb 4th, 2020 at 11:59 PM

Note:

- Precision and conciseness is preferred over impreciseness and verbosity.
- ONLY electronic submissions (in PDF format).
- All homeworks will be strictly checked for plagiarism.
- Using Latex is strongly recommended.

Some notation:

PLP == Programming Language Pragmatics by Michael L. Scott. (The version in the drive is what we will use.)

CYU == Check Your Understanding
